

## Tips for gathering your HHW for safe disposal

Seal containers tightly.

Bring items in their original containers inside a sturdy box.

If original container is leaking or damaged, transfer product to a safe container and re-label.

Don't mix products together.

Be prepared to leave your containers. Containers such as gasoline cans will not be returned at mobile events.

## 2017 HHW Mobile Collection Schedule

# 2017 REGIONAL Household Hazardous Waste

## COLLECTION PROGRAM

CELEBRATING

# 20

YEARS

How you can safely dispose of toxic household products

# About the Regional HHW Program

The Regional HHW Collection Program provides members with convenient access to proper HHW disposal. If you live in a participating community, you may take HHW products to the permanent collection facilities in Kansas City, Missouri, and Lee's Summit, Missouri, free of charge. You may also attend **ANY** of the mobile collections held throughout the year. **Proof of residency is required.**

**NO BUSINESS WASTE ACCEPTED** including nonprofits, churches, home-based businesses and rental property owners.
